January 15, 1992

Prefontaine and Associates  
55 W. Sierra Madre Blvd, Suite 220  
Sierra Madre, CA 91024

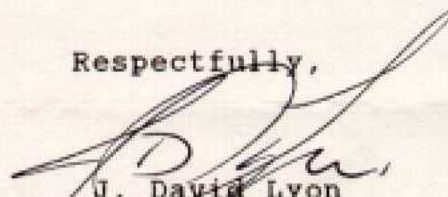

ATTENTION: Steven B. Prefontaine

Dear Steve:

This letter is to express Hartwell's appreciation for your excellent response to our request for illustrations of the C-17A nacelle latching systems. Again you have demonstrated the quality and "can-do" attitude we have come to associate with Prefontaine and Associates.

Please pass on our thanks to Darrell Pettie and your staff. Well done!

Respectfully,

J. David Lyon  
Vice-President Engineering
